

Locala Community Partnerships C.I.C. Group

Colleagues are consulted through formal and informal methods; the former including the Partnership Forum which meets once a month with our union representatives and the latter including the blogs, surveys and opportunities to vote on some business decisions. Our annual colleague survey provides a consistent approach to obtaining the views of colleagues and enables us to prioritise activities to enhance the overall colleague experience.

Energy and Carbon

Locala has identified a number of energy saving initiatives within its estate and is working with suppliers to ensure proficient investment in future years. We have indicated our intention with Landlords to support initiatives where presented, whilst also investing in our own Green agenda to reduce overall Carbon consumption in line with NHS targets for 2023.
