

# Kids Planet Day Nurseries Limited

## Strategic Report (continued) for the year ended 31 March 2021

### What was the outcome

We describe which accommodations/mitigations were made, if any, and how directors have considered different interests and the factors taken into account. An example is the CBILS loan obtained in April 2020, where decisive action was taken by the Board of Directors early in the pandemic, to provide additional liquidity into the business.

### Streamlined and Energy Carbon Reporting

The following information has been provided in order to fulfil the requirements of The Companies (Directors' Report and Limited Liability Partnerships (Energy and Carbon Report) Regulations 2018. This is the Company's first reporting year under the regulations.

Reporting Parameter	Current reporting year 2020/21
Energy consumption used to calculate emissions	5,444,792 kWh
Emissions from activities for which the company own or control including combustion of fuel & operation of facilities (Scope 1)	640 tCO <sub>2</sub> e (emissions from combustion of natural gas)
Emissions from purchase of electricity, heat, steam and cooling purchased for its own use (Scope 2)	415 tCO <sub>2</sub> e (emissions from grid electricity consumption)
Total gross Scope 1 & 2	1,055 tCO <sub>2</sub> e
Intensity ratio(s)	The following company intensity ratio is reported: 199.8 tonnes CO <sub>2</sub> e/ per nursery place available.
Methodology	The information has been collated from the group's SECR and ESOS Reports carried out by specialist energy consultants in accordance with the Green House Gas Protocol Corporate Standard.
Energy efficiency action taken	<p>The company considers its social responsibility and environmental impact to be of high importance. During the reporting period the focus of the company has however been on mitigating the impact of the Coronavirus pandemic.</p> <p>During this reporting period the company maintained its compliance with the Energy Savings Opportunity Scheme (ESOS) for the second phase. Opportunities that were identified as a result of the compliance have not been implemented as growth and improvement has been affected by the Coronavirus pandemic with priority focused upon business continuity.</p>
