

FES HOLDINGS LIMITED

REPORT OF THE DIRECTORS (CONTINUED)

EQUAL OPPORTUNITIES

The Group follows the equal opportunity guidelines of the Confederation of British Industry and seeks to enforce them in all fields of activity.

ENVIRONMENTAL POLICY

The Board recognises the environmental issues associated with its principal activities and particularly those relating to waste, water, energy management and vehicle emissions. The Group is actively involved in practical measures to prevent or offset pollution to the environment and to comply with all current environmental regulations, legislation and approved codes of practice. The Group maintains the accreditations mentioned in the Quality Control section above to provide its clients and stakeholders with verifiable evidence that environmental performance is integral to business management.

We have followed the Government Environmental Reporting Guidelines dated March 2019 in relation to Streamlined Energy and Carbon Reporting (SECR) for large unquoted companies and LLPs. We have also used the 2021 UK Government GHG Conversion Factors for Company Reporting.
