Total	413,991,898	106,281
Intensity Ratio (emission per gross tonne mile)	0.024	

*Energy use and greenhouse emissions

The company reports in line with the methodology as specified in the "environmental reporting guidelines: including Streamlined Energy and Carbon Reporting and greenhouse gas reporting" used in conjunction with Government GHG reporting conversion factors.

Political and charitable contributions

It is the policy of the company not to make political donations or incur political expenditure. Charitable donations totalling £30,567 (2019: £14,431) were made during the year.

Disclosure of information to auditor

The Directors who held office at the date of this Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each Director has taken all the steps that he or she ought to have taken as a Director to make himself or herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Other information

An indication of likely future developments in the business and particulars of significant events which have occurred since the end of the financial year have been included in the Strategic Report on page 4 to 7.
