

NJDR Group Ltd

Directors' Report (continued) For the Year Ended 31 March 2021

Going concern (continued)

Consequently, the Company is well placed to manage its business risks and has adequate headroom to continue in operational existence for the foreseeable future. As such, the Company continues to adopt the going concern basis in preparing the financial statements.

Streamlined energy and carbon reporting (SECR)

The following figures make up the baseline reporting for NJDR Group Limited, as 2020/21 is the first year that the Group is required to report this information.

- Scope 1 consumption and emissions relate to direct combustion of natural gas, and fuels utilised for transportation operations, such as company vehicle fleets, and grey fleet;
- Scope 2 consumption and emissions relate to indirect emissions relating to the consumption of purchased electricity in day-to-day business operations; and
- Scope 3 consumption of energy use and emissions of business travel in employee-owned vehicles.

	2021 Consumption UK (kWh)	2021 Consumption UK (kgCO ₂ e)
Scope 1: gas and owned vehicle fuels	3,350,381	667,302
Scope 2: grid supplied electricity	1,496,607	348,919
Scope 3: business travel in employee-owned vehicles	82,444	19,833
Total	4,929,432	1,036,054

An intensity metric of kgCO₂e per £1,000 of revenue has been applied for the annual total emissions of the Group and has been calculated as follows.

Carbon emissions (kgCO₂e) / Revenue (£k) - 22.01

Quantification and reporting methodology

We have followed the 2019 HM Government Environmental Reporting Guidelines. We have also used the GHG Reporting Protocol – Corporate Standard and have used the 2020 UK Government's Conversion Factors for Company Reporting.

Measures taken to improve energy efficiency

The Group has embraced the use of video conferencing technology for staff, client and supply chain meetings, to reduce the need for travel between sites. The Group will seek to reduce the intensity metric over the next three years by applying improvements to reduce consumption of Group heat and power.

Disclosure of information to auditor

Each of the persons who are Directors at the time when this Directors' Report is approved has confirmed that:

- so far as the Director is aware, there is no relevant audit information of which the Company and the Group's auditor is unaware; and
- the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company and the Group's auditor is aware of that information.
